About me

Hi, I'm Jennifer!
I am investing into coding
knowledge. I have been
working as graphic designer
for 4 years and I want to
expend my knowledge of web
developpement.

I seek to continue my
knowledge of front-end and
graphic design in order to
meet the needs and wishes of
my clients, who expect from
me much more than creative
talent.

LANGUAGES

Bilanguage
(French and English)
